SCHOOL YARD

SAFETY

There is much concern about safety in the school yard before and after school. As a result of people riding in the school yard and around corners with little care for safety, we have had a couple of accidents and many near misses.

With 548 students, many adults and siblings around in the playground before and after school, we do ask **for safety reasons**, that nobody rides bikes, scooters, skateboards, roller blades between **8:45am – 3:45pm**.

Outside of these times, we ask parents/carers to supervise their children so they are safe and they are not a hazard to others in the yard. Please note that our duty of care for the school community cannot be achieved without everyone's cooperation.

**This request is for ALL members of the school community –
*students, parents, carers and siblings.***

PLEASE BE SAFE FOR EVERYONE'S HEALTH & WELL-BEING
