

Dear Beaumaris North Primary School

I trust this letter finds you in good health.

I was very pleased to receive the paper cranes
you folded in your sincere desire for peace.

We dedicated your cranes to the Children's Peace Monument,
the statue that was built in memory of Sadako Sasaki,
a junior high school girl who died in 1955 of the "A-bomb" disease.

I believe the spirit of Sadako is pleased by your great kindness.

Your prayers for world peace will be passed on to the many people
who will visit the monument.

Let's work together for a world of peace free from nuclear weapons
so Sadako's tragedy will never be repeated.

Very truly yours,

Steven Leeper
Chairperson, Board of Directors

HIROSHIMA PEACE CULTURE FOUNDATION
